Dear Supporter,

Chicago Gateway Green events are back and we're more excited than ever to fundraise for a greener and more beautiful Chicago!

On June 8, 2023, we are hosting our 16th annual "Gaming for Green" Texas Hold 'Em Poker Tournament & Casino Night Fundraiser, and we need your support to make this year's event shine.

Chicago Gateway Green is a 501(c)3 nonprofit organization dedicated to greening and beautifying Chicago expressways, gateways, and neighborhoods. All proceeds from "Gaming for Green" will go towards our Tree and Expressway Partnership Programs. Taking place at Galleria Marchetti in Chicago's River West neighborhood, poker tournament participants will play for a chance to win a seat at the WSOP tournament in Las Vegas, and spectators can win prizes by playing a variety of other exciting casino games and entering the raffle! Specialty cocktails, live music and fabulous eats highlight the evening's activities and make for an amazing event under the tent at Galleria.

We are writing to ask for your support with a donation of a product or service to be used as a gaming or raffle prize. Your contribution will be acknowledged throughout the event and further convey your company's environmental consciousness and commitment to charitable community endeavors. If you would like your company to be featured on our social media, please let us know.

If you would like to make a donation, please complete the attached form. To find out more about this opportunity, please contact our Executive Director:
